Date: 2nd December, 2025

To,

Angadi Jyothsna

Ambaripet Village,

Kathalapur Mandal,

Jagityal District – 505306,

Telangana

Subject: Appointment as Full-Time Intern – Data Analytics & Interpretation

Dear Jyothsna,

North South Foundation (NSF) is pleased to offer you the position of **Full-Time Intern – Data Analytics & Interpretation**. In this role, you will support the **NSF Competency Program (NCP)** and report directly to the Senior Program Associate – School Relations.

As a Full-Time Intern, your primary responsibilities will include managing, analysing, and interpreting school assessment data to generate actionable insights that enhance student learning outcomes and overall program effectiveness.

---

1. Position Details

- **Date of Joining:** 2nd December, 2025
- **Type of Employment:** Full-Time Internship

---

2. Tenure

The internship will be from **2nd December, 2025 to 18th January, 2026**, with **35 actual working days**, excluding the **2nd and 4th Saturdays** of each month. The tenure may be extended based on project needs and your availability.

NorthSouth Foundation

316, 3rd Floor, Model House, Panjagutta,
Hyderabad, Telangana – 500082
Phone: +91 040-2335-6368 | www.northsouth.org

3. Stipend Disbursement

The stipend will be disbursed on a monthly basis, calculated based on the actual hours worked, as recorded and approved in the Intern Log Sheet, including work output and time commitment.

- **Full-Time (Work from Office | 10:00 AM – 5:30 PM):** ₹ 500 rupees per day

---

4. Key Responsibilities

- Collect and organise assessment data from various school systems
- Clean and validate data to ensure accuracy and consistency
- Analyse student performance metrics across grades, subjects, and schools
- Interpret data to identify learning gaps, trends, and areas for improvement
- Assist in creating visual reports and dashboards for internal and external stakeholders
- Prepare presentations (PPTs) based on data interpretation and insights
- Generate insights to support the design and enhancement of educational programs
- Collaborate with program and academic teams to provide data-driven recommendations
- Maintain proper documentation of data processes and findings for future reference
- To automate data analysis in Excel, especially for school systems data (e.g., enrollment numbers, student performance, Learning outcome analysis)
- To create new interactive dashboards

---

5. Working Hours

You are required to adhere to the organisation's standard working hours: **Monday to Saturday, 10:00 AM – 5:30 PM**, excluding the **2nd and 4th Saturdays** of each month.

---

6. Code of Conduct and Policies

You are expected to maintain professional behaviour, ensure confidentiality of sensitive information, and comply with all NSF policies, including but not limited to:

- Code of Conduct
